Dedication

This year the Shield Staff dedicates the SHIELD to Mr. Sherman. We, the members of the staff, feel that Mr. Sherman has the fine qualities found in the best of teachers. Besides being a fine educator and a class advisor, Mr. Sherman is a true friend to all his students. We dedicate this years SHIELD to Mr. Sherman as an expression of our graditude to a fine man and his work for us.

Any knight who ventured forth to fight the battle had, hidden behind the scenes, a valet or lackey. How well the knight was prepared to battle depended on his valet. Here at Downey we see a parallel. For behind every Senior Knight who leaves high school to enter a vocational or academic pursuit lies a lackey — a teacher. The preparation ranges from Shakespeare to Isaac Walton, from test tubes to kitchen appliances, from typewriters and ledgers to trigonometry, from art to metal shop. Behind each Knight lies the talent, skill, care, and practice of a teacher. And for each teacher, as must have been for the medieval lackey, the reward lies in how well fought his knight's battle is.

The Story

The Downey Knight's Varsity Cross Country Team finished the season in the position of 9th best in the nation out of nearly 4,000 schools. The Varsity first five of Vollmer, Sisco, Silvius, Quesnel, and Van Hees, however, were upset for the Sac-Joaquin Section Championship, finishing second. The Knights won the 45 school Downey Invitational meet for the first time in Downey's history. Andy Vollmer was picked on the All-Northern California Team and was in the top 15 runners in the nation in Cross Country. The Knights also won the Central California Conference Championship in Cross Country for the fourth straight year. This is a fine record to be proud of.

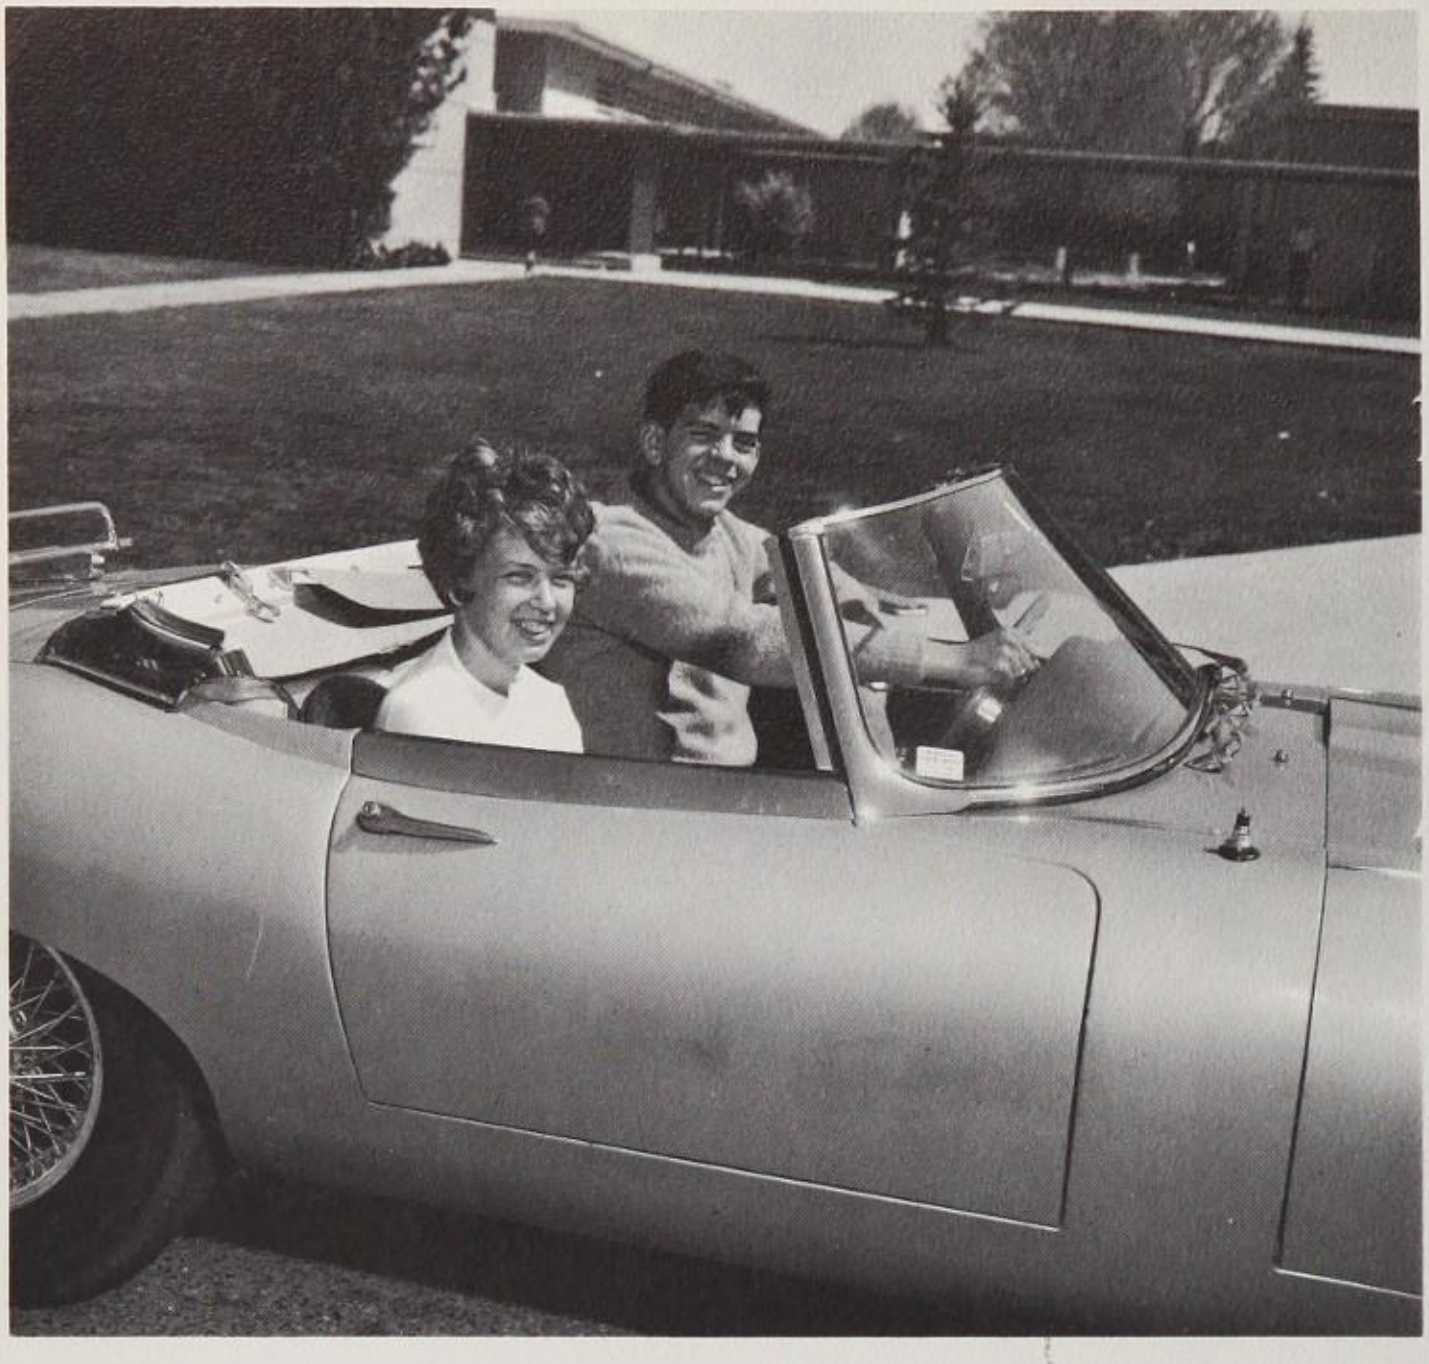
In Memoriam

Dave Sargent

Yet if you should forget me for a while
And afterward remember, do not grieve;
For if the darkness and corruption leave
A vestige of the thoughts that once I had,
Better by far you should forget and smile
Than that you should remember and be sad.

—Christina Rossetti



The 1964 SHIELD Staff has attempted to preserve many of the notable events of the school year. We have tried to produce a yearbook in keeping with the theme and spirit of Thomas Downey High School. In doing this we have combined traditional ideas with new ideas and have created a yearbook which we hope will uphold the high standards of our predecessors.

The 1964 SHIELD is our effort to create something of lasting value. It is you, the reader, who will actually determine the value of it, for you are the one who will enjoy the finished product. It was ours to enjoy during its creation.

We thank these people for contributing to the quality of the 1964 SHIELD:
